1. The forenamed applicant hereby agrees that should the foregoing Application for Grading Permit be granted by the City of Auburn, applicant will indemnify the City of Auburn against any and all losses or damages of whatsoever kind or character which may arise out of or by virtue of such excavation, including any damage to the public streets, and including all claims for damages or injuries to persons or damages to property to any person whomsoever.
2. Applicant agrees that if any dirt, rock or debris from such excavation, rainwater or otherwise, be carried to public streets, that said applicant will forthwith remove the same from said streets.
3. The foregoing application for a Grading Permit is granted upon the condition that applicant comply in all respects with the provision of Ordinance 90-02 of the City of Auburn and with the provisions set forth in the foregoing application.
4. Whenever the location of a property line or easements or the title thereto is disputed during the application process or during a grading operation, a survey by a licensed Land Surveyor or Civil Engineer or resolution of title all at the expense of the applicant may be required by the Public Works Director/City Engineer.
